

Music Society

The music society of the college plays a crucial role in holistic development of students. The society conceives, prepares and presents various music based events both within and outside the college. Under the dedicated and able leadership of the convener Ms. Sadika and dedicated support of other faculty members, the music society experiments with innovative ways and means to add quality to its musical performances. The society provides leadership and serves as an agent of change by addressing the concerns. Facing Music in Higher Education it provides incentive to students to love their talents in various forms of music. The activities of music society sooth mind and rejuvenates the college community altogether. By combining teaching and music, the teachers help the students in increasing their memory, concentration as well as academy grades. Music activities activates the intellect, which intern increases our creativity. A creative mind is capable of making new discoveries and breakthrough. The musical activities held by the music society inculcate in the students a sense of self discipline and time management. The activities also help in improving the language skills of the . The college music society has flourished over the years and is considered to be one of the best music society in the university . The music society has achieved a number of milestones as one students have been actively participating in music events of not only the college but in university and beyond. The society not only engages itself intoInter-College music competitions but also performs in other events like Independenceday ,Talent search, annual college fests etc. With consistent hard work and determination, we wish to bring more laurels to the society as well as the college.
