GOVT. PG COLLEGE FOR WOMEN ROHTAK DATED: 22ND FEB 2020 Computer Science Department has organized a Webinar on "Big Data Analysis using Machine Learning". Esteemed speaker of this webinar was Dr. Rajender Chhillar, Head of Department in Department of Computer Science and Application, M.D.U, Rohtak and Dr. Nasib Singh Gill, Professor in Department of Computer Science and Applications. On this webinar they described the heterogeneous type of data. With the concept of IOT (The Internet of Things) physical smart devices and things such as webcam, GPS etc. are connected to each other through the internet. Analysis of this data is a great challenge. AI Artificial Intelligent) and Machine Learning come to help us because these technologies make systems to identify patterns. So collaboration of various technologies is going to solve future challenges. The Webinar was conducted successfully in the Chairmanship of respected Principal Ms. Poonam Bhanwala and Organizer Dr. Sudesh Lather, HOD Computer Science. Nearly 210 participants from various colleges in our state and other states i.e. Bhopal, Ntpc Ramgundam and Mizoram joined the webinar virtually. The sessions were impressively hosted by Ms. Subita and Finally Ms. Rohini, Assistant Professor in Computer Science delivered vote of thanks.

DIGIGYAN- An Initiative of DHE, Haryana

SWAYAM PRABHA, MINISTRY OF HUMAN RESOURCES DEVELOPMENT, INDIA

SWAYAM Prabha is an initiative of the Ministry of Human Resources Development to provide 32 High Quality Educational Channels through DTH (Direct to Home) across the length and breadth of the country on 24X7 basis. It has curriculum-based course content covering diverse disciplines. This is primarily aimed at making quality learning resources accessible to remote areas where internet availability is still a challenge. The faculty members of our college encourage students to learn from this medium. <https://www.swayamprabha.gov.in/>

The screenshot shows the website interface for Swayam Prabha. The header features the 'vikaspedia' logo and navigation links in multiple languages (English, Hindi, Marathi, Malayalam, Tamil, Bengali, Assamese). A search bar is present in the top right. The main content area is titled 'Swayam Prabha' and includes a list of channels, a detailed description of the initiative, and a section on the 'Scope of the channels'. The left sidebar contains a menu with categories like 'Child Rights', 'Teachers corner', and 'Digital Learning Resources'. A 'RELATED ITEMS' box is visible on the right side of the page.

DRISHTIKON

The DGHE has initiated the “Drishtikon,” a digital magazine that provides information about different schemes of DGHE for the welfare of the students.

Digital Initiatives/ eLearning :

Knowledge coupled with creativity and innovation is the most powerful currency that Universities and higher education institutes create and contribute to society and nation. To be a Door Opener for the students in a rapidly globalizing world, it is important to follow the emerging Technological Trends that are shaping the future educational landscape. Evidently enough latest interactive teaching is changing the role of education with the introduction of multimedia, and an innovative effort of an institution helps in its academic excellence. The technology of online education and all the digital initiatives have the possibility to revolutionize higher education scenario in the near future. Accordingly department in devising program **DRISHTI** (Digital Revolution in Information Studies in Haryana for Transformation and Innovation) to boost digital and e-learning in all colleges. Department has signed agreement with CEC for developing e-content for various subjects. Workshop for 400+ teachers of various subjects has been conducted in SUPVA for the use of e-content in teaching pedagogy.
