(Mentor-Mentee System)

Session 2020-21

Name of the Mentor *Dr. Kiran Sharma* Designation *Associate Prof. of English*
Department *English* Mobile No. *9467405627* Email: *kkiran17sharma@gmail.com*
Roll Numbers of Mentees Allotted *120133062001* to *120133062091*
No. Of Mentees Allotted *72* Class of Mentees *B.A. English Hons. (I Year)*

Issues Raised By Students:

1. Regarding inadequate infrastructure and cleanliness of washrooms.
2. Stress caused due to COVID-19
3. The girls get married at early age due to parents' pressure and have to face difficulties in coping with the new situations of life.
4. Most of the students belong to rural area and they have to travel by bus and have to face harassment in public transport.
5. Students are afraid of exploring possibilities in future and they seek guidance regarding their career.

Issues Resolved By Mentor:

1. The problems are placed before IBAC of the college.
2. Students are given proper counselling regarding health and hygiene and also motivated to do meditation at home.
3. The young girl students are counselled about balancing their student life and married life.
4. Girls are motivated and encouraged to raise their voice against any kind of harassment.
5. Students are ~~instructed~~ ^{taught} how to recognise their skills, how to enhance them and how to identify and pursue their goals.

Issues Raised By Students:

1) As classes were online, many students told about network problem.

2) Some students were feeling depressed and uninterested in studies due to lockdown and a long period of not coming to college.

Issues Resolved By Mentor:

1) Students were advised to personally call their subject teachers to solve the problems on specific issues when the network problem was there. Their teachers were also informed.

2) Students were counselled and told that the problem is not long lasting, we will soon come out of it and the whole world is facing this. They felt better and told the importance of studies in this time also.

Roll Numbers of Mentees Allotted 120133030183 120133030216

No. Of Mentees Allotted 33 Class of Mentees (31-B) B.Sc. I. medical

Issues Raised By Students:

When it comes to online education or E-Learning, rural students are not completely equipped with utilities like fast internet, uninterrupted power supply and electronic devices. Some students were morally down during lockdown period. During corona crisis they feel anxiety. The students were also afraid about their future. They are feeling health issues.

Issues Resolved By Mentor:

- Make them feel free.
- Ask them to do regular exercise.
- Ask them to connect with doctors.
- Regular counselling of the students was done.

No. Of Mentees Allotted... 19..... Class of Mentees... B. Sc. 1st Non-Med.

Issues Raised By Students:

- 1) Some students were morally down during lockdown period and also told the anxiety issues they faced during Corona Crisis. They were also tensed regarding their carrier prospect.
- 2) Sonika, Divya & Palak belonged to rural areas, where they faced no network problems so some times they were not able to take online live classes on google meet, so they asked to share recorded videos lectures in class whatsapp groups.

Issues Resolved By Mentor:

- 1) I told the students how I utilises my sparetime in the activities, i likes to do. As everyone has some kind of interest so use that time in those interests and try to find something new which makes you feel alive. Every situation has some goods & bads, don't go for bads but learn to find goods in all situations of life.
- 2) The network related issues were sorted out by teaching on youtube channels where the lectures can be seen at any time
